AMERICAN GRIDIRON

# AMERICAN GRIDIRON

I created 'American Gridiron' for a show I did in Phoenix, Arizona during the Super Bowl last year. This sculpture is painted on skateboards and includes every team in the NFL as well as football motifs and logos. The highlight of this sculpture is the Super Bowl trophy painted in silver chrome in the center.

This large sculpture is a grand and original centerpiece for anyone who loves football and I would be happy to reconfigure the boards to highlight teams that you might like more than others.

Should you be interested, feel free to reach out. My studio is located in the Los Angeles area.
